Oracle Developer – Intermediate & Senior level

What we're looking for?

- Write technical documentation
- Analyze and contribute to functional specifications
- Development of Oracle database objects (including interfaces)
- Maintenance and support of business software solutions
- Manual and automated testing (unit, regression, performance, functional tests)
- Job processing analysis and improvement.

You're a great fit if you have:

- Strong knowledge and experience in PL/SQL
- Knowledge of JAVA and XML, would be a plus
- Knowledge of Shell scripting on a Linux/Unix operating system would be a plus
- University degree in information technology or comparable education
- Ability to communicate and collaborate efficiently
- Openness to take over different roles in international and cross-functional teams
- Willingness to learn and work using Agile / DevOps methodologies, practices and tools
- Self-motivation to achieve consistently high quality results
- Ability to think out of the box and challenge the status quo
- Openness to share knowledge and best practices with the team
- Ability to use simplicity in complex projects
- Good command of English, both spoken and written.

Highly appreciated:

- High interest in continuous learning and development (new tools, technologies, methodologies)

If you have the necessary skills for this job and you want to make a change in your career, please send us your CV at recruiting@brusch.ro, or give us a call at 0735.55.29.49/ 0760.086.036.

BRUSCH Services is a European IT consulting company, based in Romania. We are a service provider for IT projects (on/near/offshore) and personnel recruiting (IT sourcing).

With over 12 years' experience on the Romanian market, Brusch Services prides itself with a team of IT specialists, who have certifications on all business lines.

We take over responsibility for the development, testing and support of IT and embedded projects in Romania.

Having big claims from ourselves, we invest in respect, flexibility and trust in our relationships with our partners and employees. We struggle for a sustainable win-win concept within a long-lasting partnership that is distinguished by professionalism, transparency and trust.

Brusch Services consolidates its image as a trusted software provider for key players in the IT market in Romania, operating in banking, retail, insurance, telecom, and services & financial.

The company emphasizes open communication, a flexible business model and its obvious orientation towards services and quality, all of which are the basis of our success.
