

We are looking for : BPM DEVELOPER

WHO WE ARE

BRUSCH SERVICES is a Romanian software company, part of Connections Consult group, starting 2021, with a long history on both the Romanian and European IT market. We built our position around delivering quality outsourcing and staff augmentation services to our clients, covering all specific technical profiles of a software development lifecycle (project management, business analysis, IT architecture and design, development, testing, support and maintenance).

WHAT YOU NEED TO KNOW

Technologies:

- Experienced in designing and developing BPM workflows, user interfaces, and dashboards, using IBM BPM Process Designer;
- Strong understanding of integration principles and technologies (Message Queues and Web Services, SOAP based & REST style);
- Solid experience of modelling and querying database structures (SQL, Oracle PL/SQL, MySQL);
- Experience in using IBM Integration Designer would be an advantage;
- Ability to work in a team, acting proactively;
- Solution oriented person, with ability to work under pressure and respect deadlines;
- Flexible and analytical approach;
- Balanced, determined, passionate about IT;

- Analytical skills and good communication skills;
- Advance English language knowledge;
- Excellent communication and presentation skills;
- University degree and/or Masters with a major in IT or equivalent (Computer Science);

EXPERIENCE:

- Minimum 3 years in IT projects;
- Minimum 2 years in BPM development;;
