

We are looking for : BUSINESS ANALYST

WHO WE ARE

BRUSCH SERVICES is a Romanian software company, part of Connections Consult group, starting 2021, with a long history on both the Romanian and European IT market. We built our position around delivering quality outsourcing and staff augmentation services to our clients, covering all specific technical profiles of a software development lifecycle (project management, business analysis, IT architecture and design, development, testing, support and maintenance).

WHAT YOU NEED TO DO

- Interact with business lines to clarify business requirements;
- Assess feasibility, benefits and risks and provide opinions/recommendations;
- Analyze impact of business requirements on the existing systems;
- Provide effort estimates for the analysis work;
- Transform business requirements into functional and non-functional specifications;
- Participate in the solution design, support development and testing;
- Maintain specifications up to date throughout the project, operating the approved changes;
- Provide post-implementation support to system administrators during stabilization;

WHAT YOU NEED TO KNOW

- Hold a Bachelor's degree or higher;
- Advanced skills in SQL;
- Fluent in English;
- Familiar with data modelling tools;

- 3+ years of experience in business & system analysis;
- Good presentation skills;

ANY COMBINATION OF THE BELOW:

- Previous experience with implementations of data management solutions (data warehouse, reporting systems);
- Previous experience within the financial services/BANKING sector;
- Knowledge of Jira, Confluence tools;
- knowledge and experience with Java applications and web-based solutions;
- API' s Interface Knowledge; previous experience in designing interfaces;
