

We are looking for : IOS DEVELOPER

WHO WE ARE

BRUSCH SERVICES is a Romanian software company, part of Connections Consult group, starting 2021, with a long history on both the Romanian and European IT market. We built our position around delivering quality outsourcing and staff augmentation services to our clients, covering all specific technical profiles of a software development lifecycle (project management, business analysis, IT architecture and design, development, testing, support and maintenance).

WHAT YOU NEED TO DO

- Work together with our highly skilled international development teams to build and maintain features of our Apps and SDKs;
- Ensure proper performance and quality of the code you write and continuously participate in code reviews;
- Write unit tests for robustness, edge cases and general reliability;
- Write code in compliance with our coding standards and security mechanisms;
- Continuously collaborate with cross-functional teams, product owners, designers and QA team in an agile environment;
- Participate in developer guilds and enjoy learning/sharing knowledge with the team;

WHAT YOU NEED TO KNOW

- Solid and proven work experience in iOS development (banking experience would be a plus);
- Well versed in iOS development and have strong knowledge of Swift, RxSwift/Combine, UIKit, Xcode etc.;

- Very good knowledge of SOLID principles, design patterns (MVVM, VIPER etc.), Apple design guidelines and general best practices for iOS;
- You can develop reusable frameworks and are not new to automated CI/CD process;
- You know how to use Xcode instruments and memory graph;
- You are very experienced in Client-Server architectures using HTTPS, REST and JSON;
- Experience with Mobile App Hardening tools like Arxan is a plus;
- You have excellent communication, interpersonal skills and are an effective team player;
